### Vitalpina Hotels gains two new members

**The hotel group Vitalpina specialised in active pursuits, pampering and indulging guests with regional cuisine now boasts two new associates.**

The four-star **Hotel Schwarzschnied** at Lana close to the spa town of Merano/Meran boasts an entirely new spa complex and half of the establishment's rooms have just been refurbished. In keeping with the design revolution that has been underway in South Tyrol over the last three years, this stylish hotel is characterised by cutting-edge architecture while remaining in complete harmony with the natural environment. As with all Vitalpina hotels, Schwarzschnied places great importance on its cuisine, which includes vegetarian and gluten-free dishes upon request. Guests are assured of particularly mouth-watering gluten-free creations as South Tyrol is home to the world leader in gluten-free products, Dr. Schaer. Prices start from €55 per person for half board (breakfast and dinner) including complimentary daily lunchtime snacks.

Four-star **Hotel Cristallo** in Dobbiaco/Toblach, in the South Tyrolean Dolomites, has also joined the group and will be catering for the needs and tastes of discerning travellers and mountain lovers. The entire hotel emanates a delightful atmosphere of South Tyrolean hospitality located in the charming settings of a picturesque Alpine village at an altitude of 1,256m. The spot is situated at the gateway to two nature reserves in the heart of the Dolomites, the Dolomiti di Sesto/Sextner Dolomiten Nature Reserve and Fanes Sennes Braies/Fanes Sennes Prags Nature Reserve, noted for their fantastical sheer limestone rock formations and countless summer and winter sports opportunities. The hotel specialises in holistically conceived spa treatments, from baths to warm stone therapies based on the application of hay and flower-based products. Prices for 2008 start from €65 per person per night on a half board basis.
